("the Company"), which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss, AND Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors are responsible for the matters in section 134(5) of the Companies Act 2013 ("the act") with respect to preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Companies Act, 2013 read with Rule 7 of Companies (Accounts) Rules, 2014. This responsibility includes the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the company and for prevention and detection of the frauds and other irregularities; selection and application of the appropriate accounting policies ; making judgments and estimates that are responsible and prudent; and design, implementation and maintenance of internal control, that are operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and the matters that are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the standards on auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the

appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

ANNEXURE B- TO THE INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of GSB Finance Limited ("the Company") as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the

assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India

Auditor's Report On Quarterly Financial Results and Year to Date Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To,
The Board of Directors,
GSB Finance Limited

We have audited the quarterly financial results of **GSB FINANCE LTD.** for the quarter ended 31/03/2016 and the year to date results for the period 01/04/2015 to 31/03/2016, attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. These quarterly financial results as well as the year to date financial results have been prepared on the basis of the interim financial statements, which are the responsibility of the company's management. Our responsibility is to express an opinion on these financial results based on our audit of such interim financial statements, which have been prepared in accordance with the recognition and measurement principles laid down in Accounting Standard 25 for Interim Financial Reporting prescribed, under Section 133 of the Companies Act, 2013 read with relevant rules issued there under and other accounting principles generally accepted in India.

We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our opinion.

In our opinion and to the best of our information and according to the explanations given to us these quarterly financial results as well as the year to date results:

- (i) are presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 in this regard; and
- (ii) give a true and fair view of the net profit and other financial information for the quarter ended 31/03/2016 as well as the year to date results for the period from 01/04/2015 to 31/03/2016

NOTE 1

Notes to Financial Statements for the year ended 31 March, 2016

1. SIGNIFICANT ACCOUNTING POLICIES

Basis of preparation

The financial statements of the company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The company has prepared these financial statements to comply in all material respects with the accounting standards notified under the Companies (Accounting Standards) Rules, 2006, (as amended) and the relevant provisions of the Companies Act, 2013 and the guidelines issued by the Reserve Bank of India ('RBI') as applicable to a Non Banking Finance Company. The financial statements have been prepared on an accrual basis and under the historical cost convention.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

Use of Estimates:

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenue, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

Tangible Fixed Assets

Tangible Fixed Assets are stated at cost less accumulated depreciation and impairment losses, if any. The cost of fixed assets comprises purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

Depreciation on Tangible Fixed Assets

Depreciation on Tangible Fixed Assets is provided on a straight Line Method at the rates and manner prescribed under Schedule II Part "C" of the Companies Act, 2013.

Investments:

Investments are classified as long term and current in accordance with the Accounting Standard on 'Accounting for Investments' (AS 13) issued by the Institute of Chartered Accountants of India. Long-term investments are valued at acquisition cost unless the fall in value is of permanent nature. Current investments are valued at lower of cost and market value and in case of unquoted shares lower of cost or breakup value.

In accordance with the Revised Schedule III to the Companies Act, 2013, the portion of the Long Term Investments classified above, and expected to be realized within 12 months of the reporting date, have been classified as current investments.

Stock in Trade

The securities acquired with the intention of short term holding and trading positions are considered as stock-in-trade and disclosed as current assets. Stock in trade of shares being current in nature is valued lower of the cost or fair market price. The valuation of the unquoted shares has been made at cost or net assets value whichever is lower

Revenue Recognition

Revenue /Income is generally accounted for on accrual basis as they are earned or incurred except for dividend, which is accounted for on cash basis.

Retirement and other employee benefits

The Company has adopted the revised Accounting Standard 15 - Accounting for Employee Benefits. The accounting policy followed by the Company in respect of its employee benefit schemes is set out below:

Gratuity: Short term employee benefits are accounted in the period during which the services have been rendered. Defined contribution plans such as Provident Fund Act 1952 is not applicable to the Company

Leave Encashment:

The employees of the Company are entitled to leave as per the leave policy of the Company however no carry forward is permitted and the same if any remain balance is encashed at the end of the year.

Income Taxes

Income tax expenses comprises of current tax (i.e. amount of tax for the period determined in accordance with the income-tax law) & the deferred tax charge or benefit (reflecting the tax effect of timing differences between accounting income and taxable income for the period).

Deferred Taxation:

The deferred tax charge or benefit and the corresponding deferred tax liabilities and assets are recognized using the tax rates that have been enacted or substantially enacted as at the balance sheet date. Deferred tax assets are recognized only to the extent there is reasonable certainty that the asset can be realized in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognized only if there is a virtual certainty of realisation of the assets. Deferred tax assets are reviewed as at each balance sheet date and written down or written up to reflect the amount that is reasonable/virtually certain (as the case may be) to be realised.

Earnings per Share

The Company reports basic and diluted earnings per share in accordance with Accounting Standard 20 - Earning per Share prescribed by the Companies (Accounting Standards) Rules, 2006.

Provisions

The company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amounts of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. . If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed.

**Contingent Liabilities / Assets**

A contingent liabilities is a possible obligation that arise from past events whose existence will be confirmed by the occurrence or non occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements. Contingent assets are not recognised in the financial statements. However contingent assets are assessed continually and if it is virtually certain that an economic benefit will rise, asset and related income are recognised in the period in which the change occurs.

Cash and Cash Equivalents

Cash and Cash Equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short term investments with an original maturity of three months or less, as per Accounting Standard 3 "Cash Flows".
